

## **Rules of fire protection in the rooms**

You are kindly requested to observe the fire protection regulations of HUNÉP AUGUSZTA HOTEL ZRT. in the student hostel.

1. Smoking is prohibited in the area of the hostel except at the designated places and rooms.
2. Storage and usage of explosive and flammable substances, liquids, chemicals in the rooms are strictly prohibited.
3. Only the proper use of the electric heater, cooker, cafe machine and toaster is allowed in the hostel rooms.
4. Irons may be used only with heatproof pad in the laundry room established for this purpose. Appliances must be switched off after use.
5. All electrical appliances in the hostel have to be fitted with double insulated extension cables. Any fixing, repairing, lengthening work must be done by special mechanics.
6. No naked flame is allowed for lighting in case of power cut.
7. When leaving the room all lights and electrical appliances must be switched off, except the fridge.

### **Steps in case of fire**

1. Try to extinguish fire with the available devices (fire extinguisher, blanket, etc.)
2. No water can be used to extinguish the flames of electrical appliances.
3. Report fire immediately to the reception and call the fire brigade on 105 or 411-222. Push the fire alarm placed on each storey.
4. Fire extinguishers set on each storey are only suitable to avert direct fire risk. Removing or misusing them will entail serious financial consequences. Leave the building immediately if the fire alarm goes off. Any extinguished fire must be reported to the Fire Department on duty.
